WORK EXPERIENCE

AllPeople, San Luis Obispo Ca. — *Web Development Intern*

January 2022 - Sept 2022

- Enhanced the website's homepage and implemented various filtering mechanisms.
- Helped build the best online shopping experience by rewriting and designing the FAQ page.

Department of CS, Cornell College. — *Student Worker*

Sept 2022 - Present

- Worked with VM's and servers handling and understanding IT fundamentals.

Target, Thornton Co. — *Produce Worker*

May 2017 - Present

- Provide excellent customer service and work efficiently with a large team.
- Trained 20+ employees in multiple settings to ensure efficiency and consistency.

PROJECTS

Personal Portfolio webpage

- Developed using HTML, CSS and JavaScript. ELKshot presents my past projects along with web development skills, in a simple and eye pleasing layout.

C4 Blog/Brochure website

- Designed a website using Bootstrap written in HTML, JS, Sass, and CSS that would be suitable for the computer science club at Cornell College to make a sleek look where the CS community can show their experiences through a blog.

Joke Generator

- 'Smile' is an application that outsources to a third party API and uses their code to produce a joke of the day. It is written in HTML, CSS and JavaScript.

SERVICE EXPERIENCE

Student Athletic Advisory Council, Mt. Vernon IA. — *Committee Member*

August 2020 - Present

- Participate in hands-on event planning for over 300 student-athletes.

Lacrosse Team Member, Mt. Vernon IA. — *Athlete*

August 2019 - Present

- Participate in community service through teaching lacrosse to local middle and 20-30 high school students every other weekend to spread the joy of lacrosse.

C4 Club, Mt. Vernon IA. — *President(2022-Present), Vice President(2021), Secretary(2020)*

August 2020 - Present

- Create and distribute content using Google Suite applications on a weekly basis to 15 plus members.
